Suspect Banknotes

It is an offence to knowingly possess or use counterfeit banknotes. Suspect banknotes should be given to your local police.

Counterfeits have no value – you will not be reimbursed. If they are determined to be genuine banknotes, they will be returned to you.

If you come across a banknote that you suspect is counterfeit,

Store It, Note It, Report It.

Store safely:

Handle the suspect banknote as little as possible and store it in an envelope.

Note details:

Note any relevant information, such as how it came into your possession.

Report to police:

Report the matter immediately to your local police station.

You are well within your rights to refuse to accept a banknote if you have concerns about it. **Under no circumstances should you take actions that may jeopardise your safety or that of others.**
